6.1 Approval for Leave of Absence (applicable to international students)
Absences due to Medical Grounds and Bereavement are the only two accepted valid reasons.
- Complete the “Leave of Absence” form.
- Supporting documents to justify your absence from class (MCs, Death Certificate etc).
Note:
Should you be absent for a class due to illness, please submit the medical certificate (MC) to the School by the next working day.
Only MCs issued by registered medical practitioners under the Singapore Medical Council will be accepted

All other reasons of absence from class are subjected to case by case approval of the Registrar.
E.g. Going back to home country with urgent matters during the study term.

Please submit the “Leave of Absence” form with supporting documents (written request and air ticket), at least one week in advance or before you purchase your air ticket.
Please provide proof of air ticket, passport (for the exit and entry immigration stamps) and supporting documents upon return.

Notification to ICA on your absence from class
- School will inform ICA in writing of any leave application between 1 – 3 months.
- Your Student pass will be cancelled if you are away from your School for more than 3 months. You will have to re-apply for student pass, subject to the approval of Immigration and Checkpoints Authority.

7. Length of Time Permitted for Leave of Absence
Leave will usually be granted for a minimum of one term / trimester / semester and usually no longer than one academic year (i.e. 4 consecutive terms / 3 consecutive trimesters / 2 consecutive semesters).

8. Extension
Students requiring an extension of their leave entitlements must make application to the Registrar via the Program Executive citing special circumstances where:
- They have medical condition (certified by a medical practitioner).
